

# Room 7's BIG Sign Book

This sign tells us that  
a school is coming  
up. You need to  
drive carefully!

By Molly

This sign tells us that a  
speed bump is coming  
up. It means we have  
to go 20 kilometres an  
hour.

By Krystal

This sign says danger! That means people only should go there if they are a member.  
By Connor.

This sign tells us to go 80 kilometres an hour. Above it is a power box.  
By Jack

This sign tells us  
that it is a bus stop.  
If you want a ride  
on the bus the  
driver will stop.

By Olivia

This sign means  
bus only. it is  
painted on the  
ground and  
cars are not  
allowed to go in  
the bus lane.

By Heather

This sign tells us that cars can go 50 kilometres an hour. By Ryan

This sign tells us to go right to get to the highway 74. By Mya.

This is a bike lane. It is on the road. The bikes can go on this part of the road.

By Mya

Yellow lines mean car can't park there.

By Ryan

This sign tells us  
that this road  
goes around the  
city. This sign is  
a ring road sign.

By Harry

This sign tells  
us that cars  
are not  
allowed in  
there. You  
might get hurt.

By Olivia

The no parking starts here. It is here because it would be dangerous to park here. This other sign tells us that the no parking ends here. By Nikaila

This sign means there is only one lane and there is no exit. That means you have to go out the way you came in.

By Connor

This sign tells us to go left or right.

By Jake

This sign tells us that it is a no exit street. It means you have to go out the way you came in.

By C-J

This sign tells the cars that a crossing is coming up. They need to slow down for people crossing.

This is a big road sign in our community. It tells you which way to go to get to where you are going. To get to Papanui you go left.

We went for a walk around our community. We found that there were lots of different signs that tell you to do lots of different things.

We picked one sign each and wrote about what it means and made a big book to share with others. Take a look...
